APPLICATION OF SPRINT COMMUNICATIONS COMPANY L.P. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES IS NOT AUTOMATICALLY GRANTED

WC Docket No. 15-186
Comp. Pol. File No. 1230

On June 19, 2015, Sprint Communications Company L.P. (Sprint or Applicant) filed an application with the Federal Communications Commission requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain wireline consumer long-distance services and associated features.¹ The Commission received eleven comments responsive to Sprint's proposed discontinuance and requires additional time to consider them.² Accordingly, the Application will not be automatically granted.³ We emphasize that our removal of Sprint's application from the automatic grant process should not be construed as a final determination on the merits of Sprint's request for authority to discontinue service.
